*** The total cost of repair is estimated after evaluation of the product. We will do our utmost to repair non-warranty products to their original form as well as possible. Sometimes it is only possible to add extra seams or to use materials with a slight colour difference compared to the original colour of the product. In many cases we can only repair with a contrasting colour such as black or grey. We do not replace complete panels. The total cost of repair is finally estimated once we finish evaluation on-site at the repair center.**
